UISZ Community Summary – Week 8

INTRO

This week we returned from the Golden Week holiday and students were eager to get back into the swing of things. During the Wednesday Secondary assembly the the new Dean of Students post holder Ms Holly was announced.

Mr Sebastien thanked DP students for their efforts in organising the recent assembly activities.

After this the student candidates for student Captains positions were announced and the candidates presented their videos (some of which were produced in a very funny comedic way) and each gave a rousing speech.

PYP

Message from Ms Ha

This week in K3/Year 1 class, the students were introduced to their new Unit of Inquiry. A hazardous classroom environment was set up for the students to explore various signs and symbols helping them to understand, what is a sign and is its purpose?

MYP

Message from Mr Chris

Year 6 students got a book from the library to kick off the new Unit on Folk Style literature.

The Year 6 students were busy reading 3 fairy tales of their choice which they analyzed and discussed in Mr. Palasz's English Language and Literature class.

DP

Message from Ms Chunping - DP Chinese B

Y12 are studying one of the five core themes ‘Social Organization’. We discussed related topics like family relationships, school life, education systems, career development and so on. We focused on the generation gap, compared the difference between Asian education and Western/IB education, shared the education/career plan for the future etc. It’s good to see that our students share their opinions and analyze the problem from different perspectives.

一路点燃 希望

BOARDING

Message from Ms Holly

Boarding celebrating "Boarders and Stars of the Month" in September in the Canteen. These are awards given to selected students each month based on attitude, cleanliness, promptness and academic achievements. Each recipient earns a certificate and a Cobra Cafe Coupon.
