Dear Parents,

Re: Notification of School Fees for the 2017-2018 School Year

During the last Utahloy Education Foundation Meeting held on Friday the 24th of March the UISG fees for the coming year were reviewed, discussed and subsequently approved. The Board is committed to the continued growth and success of the school, which has been experiencing strong academic achievement by our students, commitment to accreditation and recognition by leading authorization bodies and growth in student numbers. Our revision of school fees reflects increased costs due to inflation, our determination to improving school facilities and the commitment to our mission of being a leading IB World School. Our school fees continue to be very competitive in comparison with other leading International Baccalaureate World Schools. Full details of the school fees for 2017/18, and admission procedures, can be found in the Admissions Information Package 2017/18 included with this letter.

UISG offers students many opportunities that only leading schools can. This commitment affirms that UISG is in a leading class of schools worldwide. UISG is authorized to offer all three International Baccalaureate Programmes, the PYP, MYP and DP. UISG recruits the best teachers from around the world and prepares students as global citizens being accepted into outstanding universities worldwide. Students take part in sporting tournaments, Model United Nations and Language Exchanges. Our school wide focus is on community and student wellbeing.

** UISG runs two semesters per year. Fees are paid annually or by semester. The school offers a 4% discount on Tuition Fees for payment of full year in advance before 1 June 2017.*

The ACL remains unchanged from last year's ACL amount of RMB 18,000 per student. Payment of the ACL is now divided into two payments and invoiced for each semester. The ACL will be included with the school fees for ease and simplicity. UEF has made considerable investment in UISG; including the improvement of the reception area and Administration Hall,

the Early Years shading and general upgrading of the campus. The UEF Board is committed to continually improve and develop our exceptional campus and facilities.

Transportation (Bus) Service

Taking school transport is optional. This levy only partially covers the total cost of transport, which is still subsidized by the school. It is our strong desire to continue to offer students a comfortable, secure and safe transport system.
