

# High School Profile 2016/2017

## Accreditation

UISG is fully accredited by the International Baccalaureate (IB) to deliver the IB PYP, the IB MYP and the IB DP programmes. The Council of International Schools (CIS), Western Association of Schools and Colleges (WASC) and National Centre for School Curriculum and Textbook Development Ministry of Education of PR China (NCCT) have also accredited UISG.

## Community

UISG serves expatriate families from over 50 countries. Parents of our students are employed by large companies and governments with a minority being self-employed. It is a mobile community; the majority of students attend UISG for between 4 and 5 years. Our largest national groups are Korean, Chinese, Japanese, German and French. The school is in its 19th year of operation.

## Grading Policy

UISG awards achievement grades once every semester, using the 1 - 7 grading system of the IB. Assessment is criterion-referenced using either MYP grade descriptors in Years 7 - 10, or IB Diploma descriptors in Years 11 and Year 12. In both cases a grade of 4 is considered to be the minimum satisfactory grade. Ranking of students by performance compared to others is inappropriate and is not a feature of our grading policy.

## Faculty

The Secondary School consists of sixty-six full-time teacher staff, including 9 departmental heads, a School Counselor, a Learning Support Counselor and a University Counselor. Faculty members represent over 18 countries, including: Australia, China, UK, Korea, Canada, France, Germany, Japan, Colombia, New Zealand, Spain, South Africa, and the U.S.A. Over half of faculty members have Masters Degrees or Doctorates.

## IB Diploma Programme

To obtain the IB Diploma, students pursue studies in six academic subjects, at least three of which must be studied at Higher Level, the remainder being studied at Standard Level.

The six areas of study, or subject areas, form the academic component, surrounding the three unique central or core components of the IB Diploma programme:

Theory of Knowledge, a two-year course, where students learn how to reflect critically on diverse ways of knowing and areas of knowledge.

Extended Essay, where students have to write a research-based essay on a topic from one of their academic subject areas (up to 4000 words in length).

CAS, a balanced programme of Creativity, Action and Service activities over the two years of the IB Diploma.

## IB Courses Programme

Year 11 students can choose a slightly less rigorous Diploma programme which will provide entry to colleges and universities in many countries around the world, such as Canada, U.S.A., Korea, Japan, and Australia.

Students study a minimum of four IB Diploma subjects and enter the final examinations as IB courses candidates. Students must also complete an Extended Essay and CAS. Successful completion of these will achieve an IB Record of Achievement.

In addition, students may need to prepare for one or more of the following well-known university entrance tests: SAT, TOEFL, IELTS.

## High School Programme

Successful completion of either the IB Diploma or the IB Courses programme will allow students to Graduate UISG with a High School Certificate, Diploma or Diploma with Honors. All students also receive full transcripts, detailing courses studied and grades achieved.

## Utahloy Sports Affiliations

ACAMIS (Association of China and Mongolia International Schools) is an association that is committed to providing quality sport competitions, cultural activities and academic events to its member schools within China. UISG is proud to have been a successful member of ACAMIS for the past 12 years.

Years 6-8 : Students compete in the SDRC (Southern Delta Regional Conference) against other international schools in our area in Volleyball, Basketball, and Soccer.

Years 9-12 : ACAMIS Core sports: volleyball, basketball and soccer. Additional Sports: swimming, table tennis, badminton, track and field and touch rugby.
