

August 22nd 2017

Dear Students and Parents,

ACTIVITIES OUTSIDE THE CLASSROOM

Cycle #1: Friday August 25th – September 29th 2017

As an IB World School, the IB Learner Profile encourages our students to be balanced, risk takers, caring, communicators and knowledgeable. At UISG the learner profile attributes are further developed through activities that extend outside the classroom. These provide opportunities for students to be inspired and challenged beyond their usual comfort zone.

Activities will take place on Friday afternoons from 2:30pm – 3:20pm.

We have spent much time developing activities that cover a range of different learning styles and ones that will expose the children to new experiences. We have also included descriptions of each activity to support you in making choices together with your child/children. We have provided information about the activities so that you and your child can make a more balanced selection.

Please follow this link or copy into your browser in order to view the activities on offer and follow the instructions to sign up:

<http://www.utahloy.com/gz/aoc.html>

Please sign up by 8:00 PM Wednesday 23 August 2017. If for some reason the online sign up is not completed in due time the classroom teacher will assist your child in making the choices and you will be informed via email or through the communication book. We look forward to active participation and to guide students to become more caring, risk-taking, balanced, knowledgeable and communicative in different settings.

Kind regards,

Andrei Anita
