

October 27th 2009

Dear Parents,

## Complete by Sunday 1<sup>st</sup> November

In preparation for the Utahloy International School's November camp programs, it is now time for us to gather details for the students who will be participating.

Once again this year we will use Chinaclimb's online database for our student information collation.

Chinaclimb has combined all three of its usual form into the database. These forms are:

1. Personal information
2. Student conduct form
3. Indemnity form

The personal Information form has questions on contact details, general health and medical needs, passport and insurance numbers, dietary requirements and physical abilities. The Student Conduct form requires the student with the authorization of their parent to agree to the rules that Chinaclimb and the school set out. And the Indemnity form is a legal agreement form provided by the Chinaclimb insurance agency that all people participating in adventure activities must read and agree with.

Each of the different year levels has a separate username and a password.

### Year 7 & 8 Yangshuo Camp

**\*\*\* Please note that user names and passwords are case sensitive \*\*\***

Students website: <http://hgc03053.chinaw3.com/customer/customerwelcome.php>

Student Username: 200911UISZ7.8

Student Password: Climbing

After logging in, you will be prompted through the various stages to enter the relevant information. It should only take a few minutes. As some forms require the consent of both parents and students they should be together whilst using the site.

This form can be downloaded from the school website under the Secondary camps section to enable you to click on the databank link and copy and paste the username and password.

**All information pertaining to the camp such as flight times, packing lists, itinerary, student expectation etc, will be available to be downloaded by the end of the week from the relevant year level section under Secondary camp downloads on the school website.**

Looking forward to another year of great trips!

Matt Harper
