

DRAGON HOUSE NEWSLETTER MARCH 2009

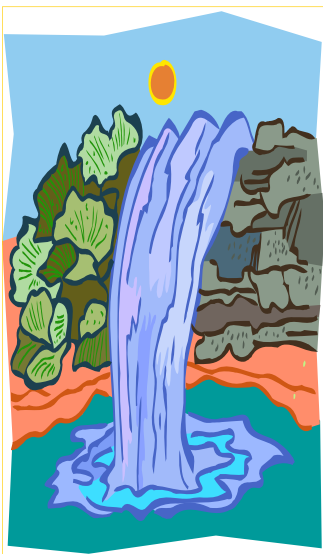

In Dragon House we are always delighted to welcome parents to visit their children in the house, especially when they come bearing steaks and sausages for a BBQ like Mr. and Mrs. Middleton did! Not only that, but Mr. Middleton cooked it all as well. A proper Aussie BBQ but sadly with more British rainy weather! Huge thanks to the Middleton family for the wonderful party!

Dragon House pool party and bonfire

Dragon House threw a poolside party and barbecue followed by a bonfire at the side of the house. Almost everyone got wet and the great food and ice-cream was enjoyed by all. Huge thanks to Restaurant Manager Carla and her team for the amazing spread.

Marshmallows thanks to Kitty, entertainment from Magnus, Luke and Kellie, games organized by Mia and stories from Luke kept people out by the fire for hours. Everyone joined in the fun and we are looking forward to the next party. Huge thanks to Fiona and Luke for their ideas and hard work.
