

UISZ Community Summary – Week 27

Upcoming Events

March 25th-28th: DP Visual Arts Exhibition

March 29-April 2: Book Week

March 26: Parent Teacher Conference

April 2nd: UISZ Open Day

INTRO

Congratulations to Rosie Lee (Yr 10) and Jack Kim (Yr 11) for their work in preparing for and attending SCIMUN in Shenzhen over last weekend. SCIMUN is an annual conference that UISZ attends. Due to COVID restrictions we were unable to send a formal delegation, but Rosie and Jack took the initiative to attend individually. Well done for your work at this conference and we look forward to sending our normal delegation next year.

Model United Nations is a time for students to engage in challenging debate and simulate the structure and formality of the real United Nations. The theme of SCIMUN 2021 was "Suppressing Disorder". The delegates of the conference engage in debate surrounding this topic. Debate was lively and our students represented UISZ well. Huge congrats to Jack and Rosie for their work.

Message from the Head of School:

Dear Parents, students and friends of UISZ,

I would like to thank all parents, students, and teachers for a very productive day of exchange today. I sincerely hope that productive discussions took place, and that realistic goals and specific targets were set to make the last stretch of this academic year be a successful one.

I also take the opportunity to welcome all parents on the 2nd Floor off 33 Town in Dongguan this weekend. The Art students of the senior class of 2021 are proud to present their creation during this year's UISZ's IBDP Art Exhibition.

Last, we are looking forward to welcome parents once again on campus this coming Friday, April 2nd, to our visit our annual MYP Personal Project & CAS Exhibitions, shop at our Flea Market and Book Fair, and to watch exciting Football matchup between students and teachers.

PYP

Message from Mr Daniel

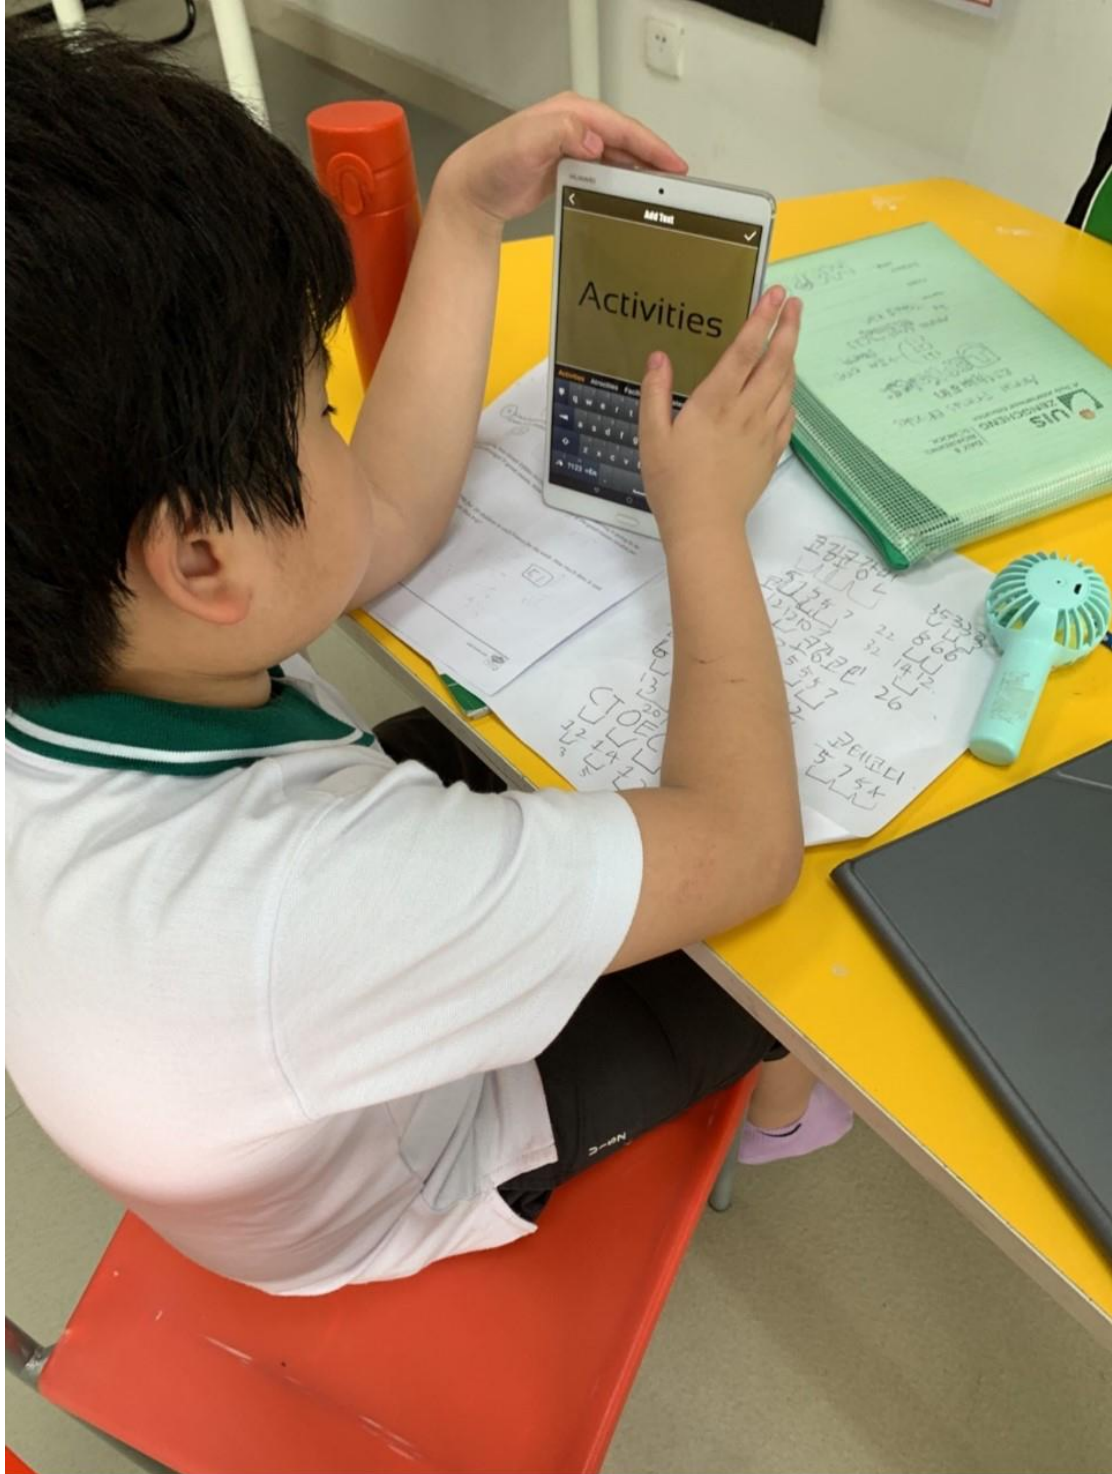

The Year 4's prepared for their upcoming showcase on "Where We Are in Place and Time" by setting up house games for assembly on Wednesday. A lot of thought and effort went into their expression of exploration, as they try to share what they have learned with their primary year peers.

UOI Assessment preparation

MYP
Message from Ms Tiffany

Our MYP first time volleyball match with UISG was held last Tuesday (16th March), our Boys and girls did the best job to compete, they had quicky reactions and a strong Cobra spirit which is very smart and persistant, even though we lost a couple of sets. But they have gained game experience with team work and communication skills through playing, and they encourage each other with warm claps, and support their teammates whenever they are playing. They have shown the beauty of volleyball. All our players have come to know volleyball better and love playing during school breaks. And for Y6 - volleyball has also become the first choice at golden time.

In Ms. Yan's Year 7/8 Academic Skill class, students do a reading challenge every month. They need to choose an English novel that suits their reading level, read carefully, take reading notes, and then do their monthly reading challenge which they have ticked. This month, some of our students chose to introduce the content of the books, design related movie posters, some chose to write an email to the writer to share their reading feelings and suggestions, and some played role-plays, assuming they were reporters and interview the author, then wrote an interview. Every student actively and boldly shared their reading gains and insights in the classroom. We can see their progress.

This week is also school's Book Week. For this reason, our classmates also specially arranged the wall panels in the school corridors, pasted their works, shared their reading gains with everyone, and encouraged more people to join us. Grow while reading. Great job!

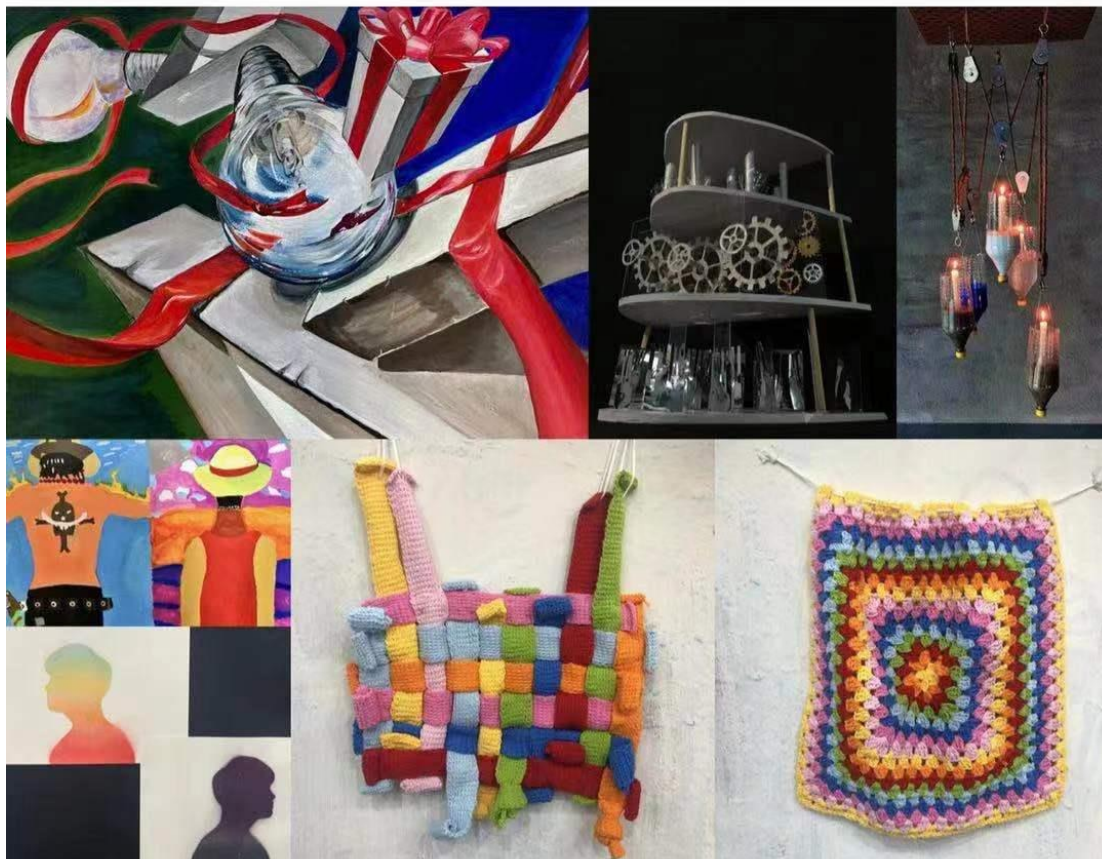

DP

This week DP Y12 students and one year 11 student have been busy in Dongguan preparing their DP Visual Arts Exhibition at Town Huanah Gallery. The Exhibition opens on Thursday and continues until Sunday - so please come along to support our students who have produced some fantastic paintings and sculptures.

BOARDING

Last Thursday night, we arranged a star-glazing activity for the boarders after homework time. They work so hard with their homework, we hope that activities like this can help them relax. We walked to the football field, some students lay down on the grass and chatted with each other, some just walked around, some listened music

and danced, some took photos and had fun with each other. We really enjoyed this evening being together for fun and to relax. We had a great time there, even though we didn't see any stars - we know the stars will be waiting for us next time.

Boarding Primary Taekwondo class is currently taking place each Monday from 6:30 pm to 7:30 pm. The kids are enjoying it and doing a great job!

OUTRO

Well that wraps up another fun packed and stimulating week at UISZ - we wish all our students and parents a restful weekend.

**Warmest wishes,
UISZ School & Boarding Community**
