

UISZ Community Summary – Week 35

INTRO

This week was another fun packed and busy week on campus. Secondary House teams greased their wheels by competing in the human wheel competition in order to build team work skills and camaraderie.

PYP

Students from PYP classes gave fantastic performances during the Spring Performance held on Wednesday in the Theatre, which was attended by parents. We give a big thanks for their hard efforts and also to Ms Lyudmila for directing them so expertly.

MYP

Message from Ms Tiffany

The MYP basketball team had their second tournament on 22nd May - which was also the end of the basketball season. Both boys and girls teams reached third place - they fought, they won... they fought, they failed. If they keep fighting they will surely win in the next season. What a strong spirit they have - especially during such hot weather. The Cobras true indefatigable spirit was shown at the competition - well done Cobras. We are so proud of

you, you have displayed balance and courageousness qualities of the IB Learner Profile. Let's enjoy sports each day!

This week Yr 9 went to Cliff Haus in YingDe, QingYuan for their respective Week Without Walls. The students got to engage in various activities like rock climbing, cave exploring, and kayaking. It was a great time for them to do some learning outside of the classroom. Good to see our students being risk-takers and inquirers outside of the walls of UISZ.

Y10

Message from Mr Chris

On Monday Y10 students had an outing to Wanda Plaza in Zengcheng to watch a movie - as part of their transition week to DP. They watched the 2 Fast 2 Furious movie, followed by lunch and a stroll around the mall. It was a nice, fun, relaxing social gathering. Each day this week they have a special excursion arranged.

DP

The graduation ceremony takes place in Dongguan this Friday evening and we will update you next week with photos.

OUTRO

We wish all our students, their parents and care givers a relaxing weekend. Just two more weeks until the end of term so let's make the most of it!

Warmest wishes,

UISZ School & Boarding Community
