

September 3

Greetings,

Our students and staff have enjoyed this first week with lifted restrictions. They spent their time without masks provided they showed no symptoms and resumed sharing tables at the canteen. We want to thank everyone for their collaboration while stricter restrictions were in place. We are now rewarded for our efforts and can enjoy more “normal” days at school.

Parent Handbook

We sent home acknowledgment forms to be signed by students and their parents. These forms seek to reach a common understanding on electronic device usage as well as social media communications. We have also sent a form to you sign as an acknowledgement of your reception of the Parent handbook. Please return these forms signed as soon as possible to your child’s primary homeroom teacher/secondary advisor.

Please note that a bilingual Chinese/English version will be sent this coming week.

Secondary School lockers

Your child now has an assigned lockers equipped with a lock.

- Please ensure that your child’s school bag can fit in the locker.
- If your child comes to school with a mobile phone, it must be always stored in the locker during the school day, from arrival to school until the departure.

UPAZ BBQ and Welcome Night

Now that most restrictions are lifted, we are looking for a date to hold our annual UPAZ BBQ. More information to come very shortly.

Long weekend ahead

Kind reminder that the school will remain close on Monday and Tuesday, September 20 and 21 in observance of the Mid-Autumn Festival.

Correction to School Calendar

Please note that Friday, October 8 will also be a holiday for our students. The Golden Week will therefore span from Friday, September 30, to Friday, October 8.
