

August 13

Dear parents,

The first week of school went remarkably well, with our students and teachers taking the time to get to know each other well. Of course, we would like to do the same with parents, and you can all be assured that we will do so as soon as possible given the current sanitary conditions.

Here are a few notes:

**UPAZ BBQ is postponed:** The current pandemic does not allow us to hold our annual UPAZ BBQ at this time. We are, however, actively looking at ways for parents to connect with their child's teachers at the earliest—more information to come.

**Boarding tuition improved:** I would like to bring your attention to the improved schedule at the boarding facility. Our boarders will indeed benefit from two hours of tuition per day as well as one hour of physical activity. The presence of teachers has been increased so that everyone feels supported. **Day boarders** can benefit from time to time with our flexi-boarding offering.

Once again, I am taking the opportunity to welcome back the whole community! Please do not hesitate to contact me, should you have any questions, comments, or suggestions, at [spelletier@uiszc.org](mailto:spelletier@uiszc.org).

We wish you all a great academic year, 2021-2022!
