

UISZ Community Summary – Week 4

INTRO

It has been another wonderful week on campus with loads of engaging educational activities as well as sports. Let's take a closer look...

PYP

Message from Ms Jennifer

Ever had a great idea? Primary student's now have time to develop their inner GENIUS! Every Friday during the last class of the day student's have "Genius Hour"! This is time that is completely student-directed learning time. Genius Hour is a chance for students to pursue a personal interest area: to think and consider something they are passionate about, to research and learn more about it, and then create something, solve a problem or take action! Genius Hour allows students time to develop their own unique gifts and talents.

6 STEPS for Genius

MYP

Message from Ms. Lyudmila MYP Music

Year 6 students started their journey in the Middle school by learning the Music Elements and practicing to recognize and use them. In their first Unit, they will develop their creative thinking by composing and performing in small groups some musical ideas using any items from around us that can produce a sound.

Message from Ms Tiffany

The MYP PHE Y6 class had Paddle team games and balanced on boards to help students build up their transition swimming skill. They learnt by having fun and inquiring beforehand and then reflecting after the activity finished.

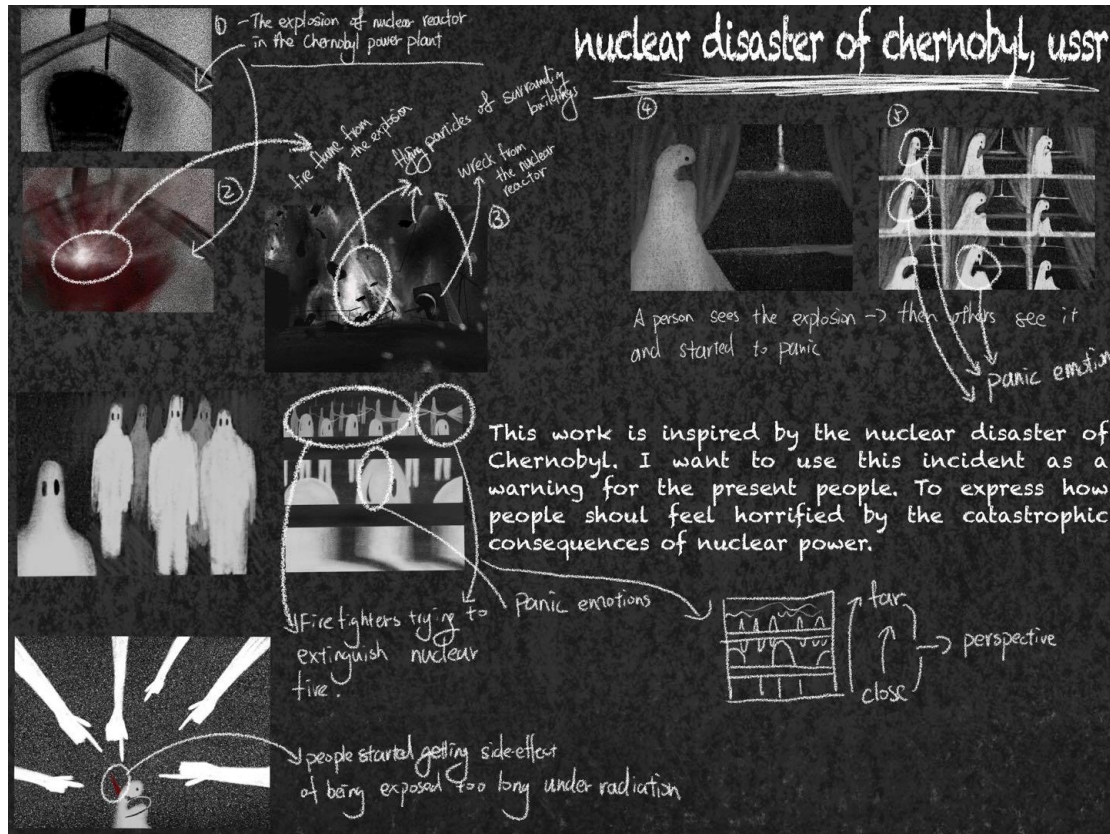

DP

DP Y12 Visual Art student Max:

This is a part of the process portfolio, idea development. I'm trying to convey the idea that people should fear the leak of nuclear waste so that similar catastrophes won't happen again.

BOARDING

Message from Mr Wayne

Flexi Boarding - with the sports season beginning, the number of students in boarding increases, as day students take up the flexi boarding option for the season. Each season includes boarding on a Tuesday, Wednesday and Thursday, with students accessing the new tutorial program, training and bonding on a Wednesday evening with their team mates.

Some parents utilize the flexi boarding option, during busy business periods, where they may need to travel. This option allows parents to select the specific days they require for their child(ren) to board, with the knowledge that children will be cared for, supported in the academics, giving parents that peace of mind that they are in good hands.

OUTRO

Another wonderful and inspiring week comes to a close - we wish all our hard working students and their families a relaxing weekend. See you all again on Monday for more stimulating learning!

Warmest wishes,
UISZ School & Boarding Community
